

FLOODS NO WORSE  
BUT LOSS IS HEAVYCONEMAUGH VALLEY DAMAGE  
FULLY \$125,000.

Johnstown a Scene of Wreckage For the Second Time.—Pennsylvania Railroad's Loss Alone Is Estimated At From \$50,000 to \$1,000,000.—Ten Persons Have Been Killed.

JOHNSTOWN, Pa., May 22.—The loss by the flood in the Conemaugh valley is fully a hundred and twenty-five thousand dollars. The Pennsylvania Railroad loses fifty thousand.

PITTSBURG, May 22.—The river is falling to-day, and the worst is over. The cellars of all the business and dwelling houses along the banks of the streams are under water and people are moving their goods to upper rooms. Some of the timid are leaving their houses and seeking places of safety on higher ground. Part of the Exposition building is inundated and the league baseball park is out of sight.

The greatest damage done is along the line of the Pennsylvania railroad between Altoona and Johnstown. The loss to the company will amount to \$1,000,000. Several miles of roadbed and track were washed away, part of it being the eastern approach of the stone bridge at Johnstown.

The present flood is similar to that of '89 in many respects. For the last three days it has been raining heavily in the Conemaugh valley. The Stony Creek reached its highest point yesterday morning and after that time began to recede, and by night it had fallen several feet, so that no serious damage was apprehended. But in the evening a heavy rain began in the Conemaugh valley which continued until about 10 o'clock, when a cloudburst occurred near Ebensburg. The valley in which the vast volume of water descended is a tributary of the Conemaugh, and shortly after the cloudburst the Conemaugh had swollen to many times its normal size.

The volume of water reached Johnstown about 3 o'clock in the morning, and was accompanied by wholesale destruction. The flood was first felt at South Fork, where numerous small buildings were swept away. Farther on in the course of the stream the water undermined the tracks of the Pennsylvania road.

At Conemaugh the water beat furiously against the large Pennsylvania roundhouse and weakened the foundation so greatly that it was found necessary to remove all the engines to a place of safety. The building, however, stood. On a sidetrack near the stone bridge stood five freight cars, in one of which the Galvin industrial army were sleeping after a long tramp. The swift waters undermined the bank, which gave way about 4 o'clock, carrying down into the river about 200 feet of track and the cars.

At 10 o'clock last night the Monongahela, Allegheny, and Ohio rivers were still rising and flooding all the cellars in the lower part of Allegheny. From twenty-eight to thirty feet of water is expected in the Monongahela. The people living in the lowlands are moving all their effects to the upper stories of their houses. All the mills along the river banks were compelled to shut down on account of the water getting into the pits.

## IN EASTERN PENNSYLVANIA.

Factories Closed. Railroad Tracks Flooded and More Damage Expected.

PHILADELPHIA, Pa., May 22.—The storm in the eastern part of Pennsylvania has been raging for nearly two days, and looks as if it may continue. The Schuylkill river began rising rapidly yesterday and has been gradually rising ever since with every prospect of a flood. The city fronts on both sides of the river are overflowed, and much damage has already been done. The Pennsylvania railroad company is perhaps the heaviest loser and its loss is placed at \$50,000. The storm has been a bad one on the farmers, many corn fields have been ruined, the corn being washed from the ground. Throughout the city trees were blown down, cellars flooded and many wash outs occurred.

All the factories along the Lehigh river are closing down. At Easton and Bethlehem the factories are flooded with eight feet of water. The flood at Reading is likely to prove as disastrous as that of 1889. The reports from the coal regions say that many of the collieries have been flooded and it may require a week to pump them out. Bridges on all railroads have been washed away. The city gas works, above Twentieth street, between Chestnut and Market streets, were flooded and shut down. All that immediate section of the city was left in darkness.

NORRISTOWN, Pa., May 22.—Traffic on all railroads is suspended and the tracks are covered with water. All the houses on front street in Bridgeport are flooded and the inmates are moving out. All the mills along the bank of the river are flooded on the first floor and the stock has been removed in boats.

EASTON, Pa., May 22.—The Lehigh and Delaware rivers are rising rapidly. The Lehigh is higher than at any time since 1889. The people living along the banks of the latter stream have been compelled to move all their goods to a place of safety. Not much damage is reported so far.

WEST CHESTER, Pa., May 22.—Yesterday Springton Forge dam on the east branch broke and deluged this

section. Crops are being badly damaged. Travel on the West Chester and Philadelphia railway was discontinued.

BETHLEHEM, Pa., May 22.—The Lehigh and Monocacy rivers are higher than during the great flood of 1889. People are moving out of their second stories. The rivers are still rising and it continues to rain.

ALLENTOWN, Pa., May 22.—The rivers have overflowed their banks, necessitating the stoppage of many industries and damaging machinery and stocks. The Lehigh bridge and dam are in danger. Many homes along the river banks were abandoned.

WILKESBARRE, Pa., May 22.—The two children of John Koskoly, aged respectively 10 and 8, fell into a swollen creek and were drowned.

## WESTERN NEW YORK SUFFERS.

Crops Ruined, Bridges Washed Out and General Damage Done.

NIAGARA FALLS, N. Y., May 22.—Gill creek has flooded the entire Echola district, a suburb of this city. Streets are under water and cellars are full. Residents are moving about on rafts.

BUFFALO, N. Y., May 22.—In the suburbs of Buffalo thousands of dollars' worth of garden truck has been buried under water and rendered almost worthless.

ROCHESTER, N. Y., May 22.—The Genesee river is within a foot of high water mark. It is still raining, and should it continue a freshet is feared. Towns up the valley report damage from high water and a steady rise of the river.

DANVILLE, N. Y., May 22.—The flood now being experienced is the worst that has occurred in the Genesee valley for years. The water is two feet above the high water mark of the great freshet five years ago. The destruction of growing and newly planted crops is complete, and the damage the farmers have sustained will run up into the hundreds of thousands. The situation in the valley is deplorable and it will take a long time to recover from the effects of the terrible flood that now prevails.

DUNKIRK, N. Y., May 22.—The Dunkirk, Allegheny Valley & Pittsburgh bridge at Laona has been weakened and settled eighteen inches. Erie trains are running via of Dayton and Buffalo.

ELMIRA, N. Y., May 22.—For forty-eight hours rain has been falling except for brief intervals. All the streams are greatly swollen. The Northern Central is not running a train north; the Erie is having difficulty between here and Corning.

CORNING, N. Y., May 22.—The heavy rains have since Friday inundated all the lowlands. Great damage has been done to property. It will be days before trains are running again.

OLEAN, N. Y., May 22.—The Allegheny river has risen eighteen feet and spread over many miles of bordering lowlands. All the trains on railroads are laid out, many miles of track being submerged and bridges carried away.

LEROY, N. Y., May 22.—Cellars and low lying residences are flooded. Trees, fences, dead cattle and other stock are passing down the creek. Farmers report many sheep drowned and crops ruined.

MOUNT MORRIS, May 22.—The highway bridge and the tracks south of here were swept partially away. Farmers will lose heavily on crops.

## AT WILLIAMSPORT.

People Crowded in Upper Stories Waiting for the Torrent to Recede.

WILLIAMSPORT, Pa., May 22.—Cut off from the rest of the world; no railroad communication, and with no avenue of telegraph or telephone communication save the slender wire over which this message was sent; surrounded on every hand by the slowly rising destroyer, which has already swept away \$1,000,000 worth of property and may sweep away a million more, the condition of Williamsport last night was indeed pitiable. Every foot of ground in the city is from four to eight feet under water, and much of it is fifteen feet below the surface of the stream. Many of the families are homeless. Hundreds more expect to be driven from their houses, in the second stories of which they have found refuge, before daylight, and unless the flood ceases there is no power on earth that can avert a greater disaster than has already come upon the helpless city. The loss of the property can not even be approximated until the waters recede and accounts are cast up.

The gas and electric light plants are under water and the city is without lights. Every one is desperate, terror-stricken, and discouraged.

The water has fallen one foot, and it is hoped the danger is over.

## TORRENT RUSHING ON SUNBURY

People Moving Their Effects Into the Upper Stories.

SUNBURY, Pa., May 22.—The Reading railway bridge at Muncie is washed away, as is the wagon bridge at Allenwood. Both the north and west branches are still rising, and the flood is as high as it was during the high water of 1889.

HUNTINGDON, Pa., May 22.—The flood in the Juniata valley is still raging with unabated fury. Five new county bridges in Huntingdon county have been destroyed, making an aggregate loss of about \$60,000.

OIL CITY, Pa., May 22.—In this city the flats are inundated and basements along Seneca, Center and Main streets, in the center of town, are flooded. Considerable apprehension is felt by the residents of the flats, many fearing a repetition of the calamity of June 5, 1892.

WHEN BOSSES UNITE  
THEY ARE A TRUST.CHICAGO MASTER PLUMBERS  
UNDER THE BAN.

Attorney General Moloney Rules That Their Organization Is Not a Legal One—Four Hundred Santa Fe Railroad Shop Men Laid Off at Topeka Today.

CHICAGO, May 22.—Attorney General Moloney suggested another remedy for labor troubles today by a startling ruling. He decided the master plumbers' organization to be a trust and subject to criminal prosecution.

TOPEKA, May 22.—Four hundred of the shopmen in the Santa Fe railroad shops were laid off today.

CHICAGO, May 22.—"Within the next week I think operators in Ohio and Pennsylvania will reach the determination to put outside men to work in their mines," said Col. W. P. Rend, a prominent coal merchant, yesterday. "This may mean riot and bloodshed, but there is no alternative left us. President McBride of the Miners' union is attempting to create himself a director over the entire coal interests of this country. Next Wednesday at Columbus the Ohio operators will meet again. Possibly McBride may recede from this position, in which case an adjustment will be reached in the near future. But in any event the operators will take prompt and vigorous action and get their mines to work. The coal situation, Col. Rend says, is exceedingly serious. There is a shortage of coal everywhere, but he does not agree with other men in the trade as to the situation in Chicago. Coal is scarce, he says, but nevertheless he has been offered considerable.

## COMPELLED TO QUIT WORK.

Strikers at Danville Use Clubs to Chase Men from Their Tools.

DANVILLE, Ill., May 22.—Striking miners in this vicinity yesterday began using vigorous measures to prevent the mining of coal. Gathering at Ellsworth Park, armed with clubs, and 200 strong, they visited all the small mines across the river and compelled the miners to throw down their tools and quit work. To-day they intend to visit Mission Fields, where 125 men are working, and compel them to come out. In anticipation of their visit the sheriff has sent twenty deputies to the scene. Trouble is looked for to-morrow if the miners attempt to carry out their intentions.

FAIRBURY, Ill., May 22.—The coal miners' strike remains unchanged at this place. A car of coal for use by the water works and electric light plant was shipped in and this will run them a few days longer.

MASCOUAT, Ill., May 22.—The coal miners in this district have decided to continue the strike.

SPRINGFIELD, Ill., May 22.—Saturday the Capital Coal company of this city asked the officers of the State Miners' Union to allow enough men to go to work to mine coal to supply the Springfield Paving Brick company with fuel to manufacture brick for the exposition building on the state fair grounds. Yesterday the miners' officers refused the request.

## RAILROAD MEN TO AID STRIKERS.

Presidents Debs and McBride Complete Their Alliance.

COLUMBUS, Ohio, May 22.—President Debs of the American Railway Union and John McBride of the United Mine Workers have completed their alliance for offense and defense that will assure positive assistance from the American Railway Union to the United Mine Workers in case the latter needs help in the present strike. It is understood the railroaders will not carry non-union mined coal, nor will the miners load coal to non-union railroaders in time of difficulty. It is given out in semi-official circles that the trainmen of the Toledo & Ohio Central railroad will to-day notify the management that after Wednesday they will refuse to haul trains carrying non-union coal.

President McBride has granted permission to the employees at one mine in Illinois to dig forty carloads of coal for the use of the Illinois State Insane asylum, whose superintendent wrote they were completely out of coal. He also permitted sufficient coal to be dug at Carbon Hill, Ohio, to run the pumps supplying water to put out the fire in a mine there.

## Coke Strikers Fall to Rally.

UNIONTOWN, Pa., May 22.—The coke strikers made an effort to rally yesterday in spite of the rain and storm, but it was a failure, and they now seem to have abandoned the field and given up the fight. All the plants are running with increased forces. Col. Hudson of the governor's staff says the situation would not justify the calling out of the troops.

PITTSBURG, Pa., May 22.—A meeting of the prominent railroad coal operators of the Pittsburgh district and a committee of Ohio operators was in session here to decide upon a mining rate and stand together. It is probable a 60-cent rate will be adopted for Pittsburgh with a 62-cent rate for Ohio. This will be the ultimatum, and if the miners refuse to accept it an attempt will be made to operate the mines with non-union men.

Alexander Makes a Clean Sweep.

BEI, GRADE, May 22.—King Alexander has suspended the constitution and restored that of 1869.

ALL IN ONE BIG GRAVE  
THEY OUGHT TO LIE.DEMOCRATIC TICKET THAT  
WOULD BE A HUMMER.

Roster Roosters Placed—Honest Democrats Have a Chance to Show Their True Feelings for the Crowd—If Peck Does Not Head the List O'Connor Should.

LA CROSSE, May 22.—This was formerly Governor Peck's home and he has many warm personal friends here, but no one advocates his nomination except those who claim the roster business put the party in the soup and that therefore the "damned roster roosters" ought to run on a roster platform and so receive the punishment they deserve.

Others say Peck and Cunningham ought to be renominated and O'Connor and his roster crowd thrown overboard. This plan is unreasonable. If the democrats do not endorse the "damned roster roosters" and wish to sit down upon and condemn that gang and if also they think they stand any show to elect their ticket this fall let them nominate Secretary Cunningham for governor. That would be rebuking those who deserve rebuke and rewarding a man who deserves reward. Mr. Cunningham has not only made a model secretary of state as all men of all parties freely and frankly admit but he distinctly and conspicuously kept out of the roster deal and everybody knows it.

If, on the other hand, the democrats believe they will be unable to elect their ticket this fall, and they nevertheless wish to condemn and punish the "damned roster roosters," let them put up a ticket as follows:

For Governor—J. L. O'Connor.

For Lieutenant Governor—J. M. Clancy.

For Secretary of State—Joe B. Doe.

For State Treasurer—Robt Dow.

For Attorney General—R. M. Bashford.

For Commissioner of Insurance—F. F. Prouditt.

For Railroad Commissioner—Clarence L. Clark.

For State Superintendent—L. W. Nieman.

Now there's a ticket for your life! It's the very stuff! It takes in all the leading roster roosters and their defenders and wet nurses. It is simply unapproachable, out of sight, and beyond criticism in its line, and it would unquestionably command the undivided support of all roster roster sympathizers and boddlers in the party or in the state, regardless of politics.

The ticket possesses many peculiar elements of strength. The men on it have all been tried and found to work harmoniously together. There is nothing uncertain about their records, or their inclinations. If elected everybody would know precisely "where they were at."

## Houses Swept Away.

ST. PAUL, Minn., May 22.—The condition of the Mississippi river at this point yesterday caused considerable anxiety. In many houses the kitchens were a foot deep in water. The people moved out and doubled up with their neighbors. Quite a number of the residents on the west side flats dwell in house boats, and consequently were not inconvenienced. A few dwell in single room shanties, and these buildings, with a few stables, formerly standing there, are entirely washed away, the structures floating like cockle shells on the top of the water. The river came to a standstill late last night and the danger seems past.

## Becomes a Cyclone in Virginia.

RICHMOND, Va., May 22.—Last night's storm in Virginia was the most destructive that has visited this state in many years. Scores of bridges were washed away by the flood, and a great amount of other damage was done. In Hanover county the storm partook of the nature of the cyclone, and many houses were blown down. No deaths are reported, but several persons had narrow escapes.

FRANKFORT, Ky., May 22.—The "cold snap in May," together with the continued rain, has injured the wheat crop. In many places it is destroyed.

## Worst in Fifty Years in Toronto.

TORONTO, Ont., May 22.—The rain and wind storm which began here Thursday and has continued without intermission ever since shows no sign of abating. It has already surpassed anything known in this city during the fifty years in which the observatory has kept a record. Reports from various points in Ontario indicate the storm has been general throughout the country. Rivers have risen to an abnormal height and many bridges, mill dams, and fences have been swept away. The damage to crops in low lying sections is also great.

## Schooners Break Their Moorings.

PHILADELPHIA, Pa., May 22.—Six three-masted schooners and a canal boat were carried from their moorings on the Schuylkill river by the flood yesterday and lie jammed against the South street bridge. No lives were lost. The danger of the collapsing of the bridge is most imminent.

ANNAPOLIS, Md., May 22.—The schooner John T. Marshall has been capsized at the mouth of South river and it is feared the crew has been drowned.

## PULLMAN IS SERIOUSLY ILL.

Palace Car Duke Is In Very Poor Health. CHICAGO, May 22.—George R. Pullman, the palace car magnate is seriously ill at his old home in Albion, New York.

## TO SELL AN ENTIRE TOWN.

Manchester, N. J., to Be Disposed Of at Auction Next Wednesday.

MANCHESTER, N. J., May 22.—Wednesday Sheriff Chambers will sell at auction the whole town of Manchester, railroad shops, churches, schools, stores, residences—all but the citizens. This is the result of the action of the Mutual Life Insurance company of Newark in foreclosing a mortgage held on the entire town. The mortgage was given by John Torrey, now deceased, in January, 1867. Mr. Torrey, who was a New York financier, practically founded Manchester, buying up many thousands of acres of land and laying out the town.

## COXEY SENTENCED.

Commonwealth Chief, With Browne and Jones, Sent to Jail for Twenty Days.

WASHINGTON, May 22.—Commonwealths Coxe, Browne and Jones were sentenced by Judge Miller, in the police court here, to twenty days in jail for violating the statute of the United States prohibiting the display of partisan banners in the capitol grounds. Coxe and Browne were also fined \$5 each for trespassing on the grass, the alternative being another ten days in jail. Jones was acquitted on the last charge.

## WILL LOAN TO THE POOR.

New York Millionaires Open Their Purses.

NEW YORK, May 22.—Cornelius Vanderbilt and thirty other New York millionaires opened their loan office at Fourth avenue and Twenty-second street yesterday.

The organization, which will be known as the Provident Loan society, was authorized by the last legislature and originated with the Rev. David H. Greer, rector of St. Bartholomew's church, early in January. The society was formed with the special object of assisting the poor, and money will be loaned on personal property for the full value of the goods pledged at the rate of 1 per cent interest per month.

## THEY FLOCK TO DENVER.

Coxeites Hear of Large Supplies and Hasten to Get Them.

DENVER, Colo., May 22.—The Coxe commonwealths' home reserve of Denver is likely to have as much business as it can well attend to for a few weeks.

The news has been heralded that headquarters for the marching commonwealths had been established here and this caused bands throughout the west to head for this city. Several hundred have already assembled here and Gen. Hegwer says transportation will be secured for them at least as far as the Missouri river. Citizens are contributing liberally.

## TALMAGE PROVES OBLIGING.

Preaches a Second Sermon to the Church Overflowed in Little Rock Streets.

LITTLE ROCK, Ark., May 22.—Rev. T. DeWitt Talmage preached Sunday at the Methodist church, south, to the largest congregation ever assembled here. At least 3,000 people went away who could not get inside the church, and over 1,200 remained outside until the service was over, when Mr. Talmage preached from the steps of the church to the crowd outside. He left here this morning for Fort Smith, en route to California.

## STEAMER BURNS AT THE DOCK.

Fishing Trader New York Completely Destroyed in a Ship Yard.

CAMDEN, N. J., May 22.—The steamboat New York, lying at the shipyard of Foreys & Matthews, was completely destroyed by fire early this morning. The New York formerly ran between Boston, St. John and Halifax, and was brought here to run to the fishing banks off the Delaware capes. She was 240 feet long, 60 feet beam, and 11 feet draught. The loss is estimated at about \$55,000.

## FAMOUS CLUB HOUSESOLD.

John Morrissey's Old Property Passes Into the Hands of R. A. Canfield.

SARATOGA, N. Y., May 22.—Albert Spencer has sold the Saratoga club house property to R. A. Canfield of New York, who was his partner last season. It is stated that it will be operated under the management of the Saratoga Racing association. The withdrawal of Mr. Spencer marks the passing from Saratoga of the remaining partner of the old-time famous firm of Morrissey, Reed & Spencer.

## INVESTIGATING LIFE SAVERS.

Witnesses Say the Milwaukee Crew Did Everything Possible.

MILWAUKEE, Wis., May 22.—The official investigation into the conduct of the life saving crew at the wreck of the schooner M. J. Cummings last Friday is now in progress. The testimony thus far is favorable to the crew. Those who have been examined said the crew did everything that possibly could have been done under the circumstances.

## Laplanders Leave for Alaska.

MADISON, Wis., May 22.—The colony of sixteen Laplanders and twelve dogs, brought to America under the auspices of the federal government, left here this morning for San Francisco in care of William G. Jellman of this city. They will sail thence to Alaska to educate the natives in the raising and use of reindeers and Lap dogs.

MISS MARLOWE WEDS  
HER LEADING MAN.

## MARRIAGE TO TABOR ANNOUNCED IN WASHINGTON.

A Year Ago She and the Handsome Young Actor Were Reported to Have Been Married But the Rumor Proved Unfounded—Enthusiastic Reception at the Capitol.

WASHINGTON, May 22.—It was definitely announced to-day that Julia Marlowe, the actress, is to marry Robert Tabor, her former leading man, in two weeks. The report is generally credited, and is denied only in vague terms by the actress' friends. Miss Marlowe was reported to have married Tabor just before her trip to Europe a year ago, but the report proved to be unfounded. This time it is believed to be authentic. Miss Marlowe is playing here this week, and has been received with enthusiasm.

## SUGAR INQUIRY NOT RAPID.

Results of the Senate Investigation May Never Reach the Public.

WASHINGTON, May 22.—The star-chamber investigation into the senate scandals is now in progress. It began at 10 o'clock yesterday and will continue for an indefinite time. Members of the investigating committee say that everybody supposed to know anything about any of the charges against senators will be summoned to testify. What the committee wants, the members say, is light. It is noticed, however, that what the committee does not want is publicity. The decision to take testimony behind closed doors is condemned by every man who believes that the people have the right to know what their servants are doing in their name. Protests against the star chamber method began to be received when the committee's decision became known.

Senator Kyle was before the committee for more than an hour and was informed that he would probably be called again. He put the committee in possession of all the information in his power, stating he was first approached by Buttz two months ago. Mr. Kyle stated that Buttz intimated to him that if \$14,000 was not enough he could have almost any sum he would name as high as \$75,000.

Chairman Gray stated that the committee had not yet formulated any plans for the investigation of the operations of the sugar trust in connection with legislation in the senate. The committee has summoned James W. Walker, an attorney of Washington, to appear before it. He is the man who gave Buttz the letter of introduction to Senator Hunton's son.

## TARIFF ON IRON ORE.

Senator Aldrich Calls Attention to Democratic Free-Trade Promises.

WASHINGTON, May 22.—In pursuance of the order adopted last Friday the senate met at 10 o'clock yesterday with only twelve senators in their seats. In about ten minutes forty-three senators—a quorum—were in the chamber, and under the agreement the remaining fifteen minutes before 10:30 were spent in the consideration of bills on the calendar. Then the tariff bill was laid before the senate and the metal schedule was taken up. The first amendment was that reported from the finance committee placing a duty of 40 cents per ton on iron ore, including manganiferous iron ore, also the gross or residuum from burnt pyrites.

Senator Aldrich immediately took the floor and drew a graphic picture of the anomalous position in which he claimed, the proposed tariff on ore placed the democratic party in New England. For six years, he said, the democrats in New England had fought their campaigns on platforms demanding free raw materials. Three years ago Mr. Mills had made a stumping tour of Massachusetts. Everywhere, he said, Mr. Mills had taken free raw materials as his text. He had held up the glowing promise of free coal and free iron ore when the democrats obtained control of all branches of the government.

After some discussion Mr. Pepper (pop. Kan.) offered an amendment to transfer iron ore to the free list. It was lost by a vote 4 to 46. The yeas were Allen, Hill (dem. N. Y.), Kyle and Pepper. The senate then adjourned.

## CONDENSED CENSUS REPORT.

Abstract of 250 Pages, Containing the Totals, Nearly Ready.

WASHINGTON, May 22.—The results of the work of the eleventh census will be summed up in an abstract which has been almost completed at the census bureau. The publication will give all the totals for the different subjects for which figures were compiled by special agents and enumerators. Concerning the official brochure, Col. Carroll D. Wright, superintendent of the census bureau, said to-day:

"The preparation of an abstract not exceeding 250 pages was authorized by a recent act of congress. There will be 100,000 copies published. It is to be the popular condensation of the twenty-four volumes of the census, and will contain all the chief totals by states, the facts to be brought into comparison with those for 1880. So far as population is concerned, it will embody the totals

## HIGH SCHOOL BONDS AND STREET PAVING

### COUNCIL DISPOSES OF TWO IMPORTANT MATTERS.

South Main to Be Improved As Soon As Possible—Fourth Ward Fire Station—Balance In Ward Funds—Horses Not to Be Hitched On the Bridge.

Important business was transacted by the common council last evening. The ordinance providing for the issue of \$55,000 in city bonds for the purchase of a site and the erection and equipping of a high school building, was given its third reading and passed by a unanimous vote, the ayes and noes being called. This was done after Alderman Heddles had submitted a report from the committee on schools in which the committee was unanimous in the opinion that "the existing conditions of the schools of the city demands the erection of a new high school building, and that the proposition to issue bonds therefor has been properly submitted to the electors of the city and passed by their vote."

South Main Street Pavement. Next in importance came the petition from South Main street property owners asking that that portion of the street between East Milwaukee street and South First street be paved with cedar blocks. This petition was referred to the committee on highways, streets and bridges and promptly reported back favorably. E. F. Carpenter, representing the Lappin estate and J. H. Myers, representing the Myers estate, appeared in opposition to this improvement, stating that their property was heavily incumbered, and that it would be a burden to the property, which was heavily incumbered, to have the pavement put down at this time.

"The Lappin estate is in debt \$40,000," said Mr. Carpenter, "and to pay up some of this debt, I as the administrator, have been compelled to offer the four-story block for sale."

Mr. Myers stated "that the estate had put \$40,000 in an opera house that did not pay 3 per cent and the estate was compelled to pay 7 per cent on borrowed money. If the improvement was adopted he would either be compelled to sell some of the property or borrow. He wanted to pay the debts and save the property his father had worked so hard to accumulate."

Paving For Two Streets Overlaid. Aldermen Rich and Winslow said that a large majority of the property owners had signed the petition, and desired the improvement made at once. The city engineer was directed to prepare plans and specifications for the pavement and report the same to the common council as soon as convenient.

The clerk was directed to advertise for bids for the pavement of South River street, from Milwaukee street to Pleasant street, the same to be presented to the council at the next meeting, the paving to be completed by the 26th of July, 1894.

Fourth Ward Fire Station Proposed. Alderman Kothman presented an order which was adopted, instructing the committee on fire and water to prepare plans and specifications for a fire station, to be located on the triangular piece of land at the junction of Lincoln street with South High street, in the Fourth ward; procure estimates of cost and also the cost of equipping a hose company to be located in the same and report to this council at the next regular meeting.

The grade of Bennett street, as prepared by the city engineer, was adopted.

Board For Quarantine Prisoners. The bill of Sheriff Bear, \$46.71, for board of prisoners after expiration of sentence, during the quarantine, was referred to the finance committee.

The council accepted an invitation to attend the dedication of the new Concordia hall, on June 5.

Want Bids on Cedar Posts. The opening of the bids for furnishing the city with lumber and tile pipe, were, at the request of Alderman Child, deferred until the next meeting, and an order was adopted instructing the clerk to advertise for bids to furnish the city with cedar posts, for paving, the same to be opened at the next meeting.

Balances in the Ward Funds.

Clerk Bates reported that there were balances in the several ward funds as follows, after deducting all bills now in sight: First ward, \$183.16; Second ward, \$223.60; Third ward,

\$187.63; Fourth ward, \$120.24; Fifth ward, \$223.79.

City Treasurer's Report Correct

Alderman Baines, of the finance committee, reported that he had examined the report of the city treasurer from April 1 to April 15, finding the same correct, he moved that it be placed on file. Also that sundry bills against the several funds be allowed. Adopted. Also that the mayor be authorized to borrow \$1,000 for the general fund. Adopted.

Many Things Done By Orders.

Orders were adopted as follows: By Alderman McLean—For block crosswalks on west side of Locust across Pleasant; on south side of Pleasant across Gold; a tile culvert on north and south sides of Pleasant across Gold.

By Alderman Smith—To repair North street between the railway tracks; for block crosswalks across Linn street on north and south sides of School street.

By Alderman Cunningham—To repair Galena street between Lincoln and Cherry street; repair tiling at Academy and Center street; plank walk across River street at south side of Galena; block crosswalk across Holmes on west side of River street; clean the gutters around Fourth ward park.

Alderman Baines—For the transfer of \$1.64 from the North Hickory street grade fund to the general fund. No Hitching on the Bridge.

By Alderman Rich—An ordinance to prevent the obstruction of a part of East and West Milwaukee streets. The ordinance prohibits the hitching of horses or vehicles, on that portion of the street between the postoffice and Main street, under penalty of from \$1 to \$25 fine. The ordinance was passed under suspension of rules.

By Alderman Heddles—For the removal of the gas lamp post at the corner of Academy and West Bluff street; a tile culvert across River street south side of Ravine; a block crosswalk across River street on North side of Mineral Point avenue.

Two Precincts in the Third.

MUD PIES.

Down in Mexico the Children Cook and Eat Them.

We have all, as children, made mud pies, but the children at a hot spring at Gaudaloupa, Mexico, cook them, eat them, and, besides that, make pocket money by selling them to tourists at Guaymas. A peculiar yellow clay is found there, and the natives say that the mud pies made of them by the children are not ill-flavored. They speak from the recollections of childhood, though, I think, as I never saw an adult eat them. There is an interesting legend connected with the spring. It is said to have been of miraculous origin. An aged pilgrim, footsore, weary and hungry, lay down to rest where the spring now is. He had not a morsel to eat for three days and there was no village, or house, even, for many miles.

A rabbit had been caught in a thicket, even as the goat was that staid Abraham's hand. There was no means of preparing it for food, however. The pilgrim had the faith that moves mountains. Planting his foot in the yielding soil he stood up and prayed for succor. A spring gushed out, as the water did from the rock when Moses smote it with his rod, only this spring was of hot water. The pilgrim slew and cooked the rabbit. He bathed his weary limbs in the water which he caught in a gourd and then allowed to cool, and then found that the waters had healing properties, for the bleeding wounds on his feet, sustained in his pilgrimage, were made well. The pilgrim afterward became a noted saint, and the hot spring has never ceased to

## COUNCIL IS CALLED IN A CHURCH FUSS.

### CHURCH MEETING AND REV. RICHARD MILLER.

B. R. Hilt, of This City Will Deliver the Memorial Day Address in Shopiere—Sharp Frost Throughout Rock Injured Crops—Brief Items of County News.

MILTON, May 22.—At a meeting of the Congregational church held Saturday a majority of the committee reported to call a council concerning "the relations of Rev. R. Miller to the pastorate of the church, also the propriety and desirableness of his continuing to act as pastor of the church," which report was adopted without opposition. Rev. Miller's friends not taking part therein. Mrs. W. H. Weaver, who has been ill for some weeks with a lung difficulty, is improving slowly, but is not able to sit up much yet. On account of the death of Mrs. Jackson the B. L. & O. festival of the King's Daughters has been postponed one week and will occur Thursday evening, May 31.

Baptismal services were held by the Seventh Day Baptists at Clear Lake Saturday afternoon. Two candidates, Paul Johnson and Dell Brown were immersed by Rev. E. M. Dunn. Ice formed here Friday and Saturday nights, but the high winds protected vegetation to some extent. Corn was nipped but the strawberry crop escaped damage. Dr. George W. Post came up from Chicago Friday and enjoyed a visit with his wife and children. R. Richardson spent Saturday and Sunday with his family. Edward Cutting, of Kearney, Neb., is visiting his mother and other Milton relatives this week. Mrs. Mary Jackson, whose dangerous condition was mentioned in Saturday's issue, died that evening after an illness of four days. She seemed better Friday, but failed very fast the day of her death. Dr. J. B. Whiting Sr. was called as council, but could give no encouragement. The funeral will be held this Wednesday afternoon at 2 o'clock in the Seventh Day Baptist church. The ladies aid society of the Congregational church will meet with Mrs. Carrie Smith Friday at 2 o'clock p. m. A ten cent supper will be served at 6 p. m. All are invited. Mr. Root of Whitewater, was in the village Monday. E. B. Saunders and wife are expected home this week. Mrs. W. T. Millar was taken with what appeared to be apoplexy Saturday afternoon, but soon rallied and is making a rapid recovery. H. P. Clarke, soon to be ex-postmaster at Broadhead, was in the city Monday. The initial number of the Milton Journal, edited and owned by W. K. Davis, will make its appearance this week. It is to be a republican sheet and is the organ of no clique or faction. The funeral of Mrs. C. Fort took place Friday from the residence of her daughter, Mrs. Hall, Rev. W. H. Summers officiating. The burial was made at Otter Creek cemetery. There has been no good trolling at Lake Koshkonong this month, on account of high winds, which keep the water rolled up so badly that the fish cannot see the spoons. W. W. Clarke is agent for The Gazette and Daily Inter Ocean, Record and Sentinel. The bicycle brigade has received several additions to its ranks this spring. N. M. Webster is visiting friends in Rhode Island for a few weeks. S. H. Coon and wife are visiting their son and daughter at Rice Lake. Mrs. Emma Place and Mrs. Amy Coon have gone to Ceres, New York, to spend the summer visiting with relatives.

NEW POSTMASTER IN AFTON.

Joseph Williams Now Dispenses Mail and Deals in Postage Stamps.

AFTON, May 22.—Joseph Williams assumed control of Afton postoffice last Saturday and can now affix P. M. to his name. A large flag pole will soon be raised on the school grounds, and a flag raising will be one of the "last day" features. A more extended notice will be given later. The Y. P. S. C. E. of the Baptist church will hold an ice cream social at the church next Friday evening. All are cordially invited. William G. Waite and Miss Lily Allen, of Woodstock, Ill., were the guest of A. S. Waite Sunday. Miss Anna L. Tank spent Sunday with Beloit relatives.

H. R. HILT SPEAKS IN SHOPIERE.

Janesville Veteran Will Make the Memorial Day Address—Hard Frost

SHOPIERE, May 22.—B. R. Hilt, of Janesville, will address the people of this place and vicinity on Memorial day. A game of base ball will be played between the La Prairie club and the Shopiere nine on the morning of Decoration day. They will commence at 9 o'clock sharp. Fred Rice is building an addition to his house.

Vine & Truesdell has been very sick the past week. Those that wish to work their road tax can do so by applying to our road commissioner, Charles Rice. Saturday and Sunday mornings frost could be seen in a good many places before the sun came up. We do not think that the fruit was injured very much. Corn, potatoes and garden truck were cut to the ground. F. A. Humphrey Sr., was ninety-three years old Sunday May 20. His wife will be eighty-nine in a short time. They are well and enjoying themselves as people do at that age. Miss Marcia Bostwick arrived home from Hartley, Iowa, Saturday. She has been visiting her sister for about three months in that place. A few desirable lots are for sale on the road leading from Shopiere to the depot, in a good location half mile from post office and the same distance from depot. Also several farms within a mile of this place. Terms easy. Prices reasonable. Enquire or address, S. K. Sweet, box 35, Shopiere, Wis.

## MRS. GIBB TO LEAVE ALL SOULS CHURCH

### JANESVILLE CONGREGATION CAN'T AFFORD AN INCREASE.

Salary Which Is Now Paid Is \$1,000 and This Is Admitted to Be Too Meagre For Such Services As the Talented Pastor Has Rendered.

Rev. Mrs. Gibb will not be All Souls pastor after this year. She has surprised her congregation by tendering her resignation, to take effect at the close of the ministerial year, September 1.

"There is no disagreement between Mrs. Gibb and the congregation," said a member of All Souls today, "and I do not understand she has decided where she will go. As a matter of fact Mrs. Gibb should command a larger salary than All Souls church can pay. She now receives \$1,000 a year which in no way compensates for her work."

"This church has no pastor in view. The pulpit will be supplied from time to time until arrangements for a permanent supply can be made."

TRIBUTE TO E. A. DOUGLASS.

Resolutions of Respect Adopted By Footville Lodge of Masons.

WHEREAS: It has pleased our Great Grand Master to summon from our midst, our worthy brother, E. A. Douglass, to take his seat, as we humbly trust, in the grand lodge above, that lodge "not made with hands eternal in the heavens," it becomes us as brothers to render to his memory that respect and regard which is due a worthy brother whose place in our lodge is left vacant, never to be filled by him, not only on our own account, but on account of the irreparable loss sustained by his family, who are left to mourn his departure. May the All Wise look down and comfort them.

Resolved That in the loss of our brother we humbly bow with submission to the will of the Great Architect of the Universe who "doeth all things well," and, as we believe our loss to be His gain, may we all endeavor to be ever ready when the summons is given for the final communication above.

Resolved, That our lodge room be draped with mourning for the customary period; that that this preamble and resolutions be spread upon our records, and that a copy be furnished the Janesville Gazette for publication, and an attested copy be presented to some member of the family of our deceased brother. ## TOO MUCH WIND

by selling their wares less than cost. Merchandise that must be sold for less than the cost to manufacture must be exceeding poor or of such an antique date that any price is gain.

We do not have that kind of goods in our place. We are making up many suits—busy all of the time and making some profit—the reason is that our customers get honest value for their money—any who have ever dealt with us can verify the above.

## IN HATS

We always were in advance on new things—selling so many keeps our stock bright and clean. If we would let the old timers accumulate we would gladly take 50 cents on the dollar for them. Our new straws are in and are charming. Some beauties at 50 cents. One price to all and everything marked in plain English figures. Yours, Etc.,

## TRAINS CAN NOT RUN FOR LACK OF FUEL

PEOPLE WEST OF TOWN MAY  
HAVE TO WALK.

The Milwaukee & St. Paul Sends Out an Order Discontinuing All But One Train a Day Because of the Coal Famine—Sale of the Transfer & Implement Co.

It looks as if the Milwaukee & St. Paul branches west of Janesville may be left without trains. Coal is too scarce to waste it on "bob tail" accommodations. The coal sheds along the line are empty and last night orders came out to run but one train a day on the New Glarus, Monticello, Shullsburg and Albany branches. The order was rescinded an hour later but agents were ordered to report by wire the amount of coal in sheds. A renewal of the order suspending trains is looked for in the next few days if the miner's strike continues.

LOUIS ROCK was picked up last night by Patrolman Hogan and given a room at the Hotel Bear. This morning he was ushered into the presence of Judge Phelps, while Clerk Williams read a complaint charging him with being a common drunkard. Rock could not satisfactorily explain his conduct, and was given a ticket entitling him to board and room for fourteen days at the county's expense.

THE people of Janesville are becoming not only interested but enthusiastic over their new Y. M. C. A. building. Realizing this fact the young ladies in charge of the festival to be held in the Congregational church tomorrow evening for the building fund, are making preparations to entertain a larger number than have ever before gathered in those rooms.

A WOLF pelt was presented to County Clerk McIntyre today by a resident of Johnston who demanded the bounty. He had failed to secure the certificate of the chairman of the town board, and was compelled to return home without his fifteen dollar prize.

MEN'S French calf and English enamel. "Straight hand sewed." Low shoes cost \$4 wholesale. You can buy them at \$2.50 a pair. Banisters make, none better in the world. How is that? Becker & Woodruff on the bridge.

No doubt we sell more men's \$1.50 shoes than any other store in southern Wisconsin. The reason is we have a large stock, the latest styles, and the goods fit, wear, and make us friends. Brown Bros. & Lincoln.

JOSHUA CHALL intends to enter the livery business and has bought from the Myers estate the brick building on East Milwaukee street, occupied by Murphy & McCue. The consideration was \$4,000.

THE carpet cleaning works are doing a fine business. Their work is the best that can be done. Carpets taken up and cleaned on short notice. Leave orders at the Janesville Steam Laundry.

THE display of hats at Ziegler's is surprising. No wonder he can sell cheap for one-half what others ask. Simply look at the pile and you will know he buys in the largest quantities.

COMFORT serge congress, a competition crusher, our price fifty cents. Don't believe our friends when they tell you "we can't sell a good shoe for the price." Brown Bros. & Lincoln.

SUPERINTENDENT S. C. COBB of the Janesville Machine Company is still confined to his home by illness. His condition is improving slowly, he having a comfortable rest last night.

IN order to get a 50 cent handkerchief for nothing tomorrow, you must read Bort, Bailey & Co's. advertisement on another page of this issue. It is very interesting.

THE meeting of the Business Men's Association was adjourned to this evening. Matters of great importance will come up and a full attendance is desired.

THOSE Brussel carpet slippers at twenty-five cents causes some of our (sleep on) competitors to groan; still we continue the sale. Brown Bros. & Lincoln.

## FOR SWEET SINGERS THEY BRAVED RAIN.

DELIGHTED AUDIENCE AT THE  
OPERA HOUSE.

Fully Five Hundred People Enjoyed the Programme Presented by Mrs. Ash, Karleton Hackett, Mrs. Torrens, Mrs. Conrad and Others—Music of an Entrancing Sort.

Remarkable success crowned the efforts of Christ Church Guild and marked the concert at Myers Grand last night.

A brilliant programme. A fashionable audience. A substantial contribution in the shape of \$202.50 in cash.

All these elements went to make the ladies happy.

As a matter of course interest centered on the singing of Mrs. Ada Ash and Karleton Hackett.

Mrs. Ash showed herself to be an artist of exceptional merit. She has a purely dramatic soprano voice of beautiful quality, even, full and resonant throughout its entire compass.

Her first number was "Caro Nome" from "Rigoletto," which displayed well the flexibility of her voice. It was loudly applauded. She responded with a very pleasing little ballad entitled "Sweet Marie." For her second number Mrs. Ash sang an aria from Verdi's "La Forza del Destino."

In this number Mrs. Ash was the most pleasing and in it she showed her remarkable dramatic powers.

Mr. Hackett made his first appearance last evening before a Janesville audience. He has a very fine baritone voice of good range and full, rich quality. His numbers were sung with good style and finish. He was loudly applauded after his first number, but refused to respond. His second number, "For the Sake of the Past," was better appreciated by the audience and liberally applauded. He also appeared in a duet with Mrs. Ash.

Mrs. L. A. Torrens, who is always a Janesville favorite, sang "Before the Dawn" by Chadwick. For an encore she gave a nocturne by the same composer. Mrs. Torrens' voice is of a pure, sweet quality and she has gained very much in finish since her last appearance.

Mesdames Conrad, Ash and Torrens sang the trio from Elijah, "Lift Thine Eyes." Their voices blended and were evenly balanced. This number was much appreciated and merited the encore it received. Mrs. Conrad also appeared in a duet with Mrs. Torrens entitled "Carmina" which was loudly applauded and the ladies were forced to repeat it. The applause which followed showed this to be in the estimation of the audience the gem of the evening. The outburst was spontaneous and prolonged.

Too much praise cannot be bestowed upon the work of Mrs. Sherer and Mrs. Stever. Some of the accompaniments to the solos were extremely difficult but were rendered with great taste and skill.

A very pleasing interpolation was the selection by Miss Myrta Williams. "Clandius and Cynthia" is not for all readers, but it was given with dramatic fervor that is unusual. To the arts of the elocutionist were added the touches of the actress, loud applause followed.

The audience refused to be satisfied without two numbers from the Third ward band quartette—Fred G. Miner, J. G. De Long, Ed S. Holmes and George Davis. Orchestral selections under the directorship of Professor E. Whigam also won favorable comment.

Mrs. Abbie A. Ford opened her home to the artists and the two box parties after the concert. A luncheon was served by the ladies of the Guild.

Dedicated to Mrs. Ash. We have seen her, we have heard her, Little queen of grace and song; And among the fairest blossoms Her efforts will belong;

Like the bubbling sparkling brook, Song comes from her gentle heart; You only have to hear and look— From all others she stands apart.

Like a picture without frame— Just the echoes of her voice; Clinging around her; it is her aim To make all hearts, with her's, rejoice. Rising or falling, trilling sweet We follow every word and sound Watching and listening at our very feet It seems the notes are falling round.

Gems of praise she will ever win Truly merited—ever sincere, We hope to hear her again and again She will always be to our hearts very near We are proud of our songstress, fair With her voice, so pure and true, Showing what culture rich and rare For a Janesville girl can do.

ABIE A. FORD.

FUNERAL OF L. D. ST. JOHN.

FUNERAL services over the remains of Lucius D. St. John were held at the home on North Bluff street this morning. Rev. W. F. Requa was the officiating clergyman and the pall bearers were old neighbors of Mr. St. John, they being S. C. Burnham, Joan Slightam, P. G. Strickler, H. B. Keniston, R. P. Young and John Harris. Many who had known him in his business life as well as since his retirement followed the remains to Oak Hill.

IN THE CITY.

T. J. Ziegler, proprietor of the largest clothing store in Janesville, is in the city for a few days. In conversation with Mr. Ziegler, he was very emphatic in his endorsements of Mr. Smith's management of his store.

Mr. Ziegler is more than pleased with his present business and says that he will exert himself more than ever to give the citizens of Janesville the best clothing for the least money.

## GUARD YOUR WIRES OR PAY MORE

Insurance Rule That Should be Enforced Throughout the State

The order of the insurance companies to the effect that an advance of 25 per cent. would be imposed in rates where show windows were not trimmed in accordance with certain requirements regarding electric wires and gas jets, has been complied with in Janesville but other cities in the state disregard it. In Oshkosh, for instance, no attention whatever is paid to the ruling. The agents are not on the best of terms and no one seems anxious to start the ball rolling.

## SHOT A YOUTH IN THE FOOT.

George McNitt Wounded While Attempting to Make a Call Saturday Night.

William Moore and George McNitt, two young men who are well known in this city, endeavored to make a call on certain parties in Brodhead Saturday night and were ordered away. It is alleged that they refused to go and one of the inmates of the house fired on them with a rifle. The bullet entered McNitt's foot. The attending physician thinks it will be necessary to amputate the foot. No arrests have yet been made.

## Troops Ordered Into Indian Land.

CHICAGO, May 22.—Gen. Miles received orders from the war department yesterday to send troops from Fort Leavenworth into the Choctaw Nation in the Indian Territory to drive out 200 intruders who are on the land belonging to the Choctaws. The men to be driven out in common with nearly all the coal miners in the country, are on strike, and the fact that they are idle and will permit no one else to work in their places is a violation of the agreement by which they went into the territory. The mines are located near the Kansas border.

## STOVE FLARES UP AND BELLS RING.

FIRE STARTS IN THE BEE HIVE  
AT NOON.

Boy Tries to Fill an Oil Stove and Burning Kerosene Spreads Over the Floor—Mrs. Leo Mayer Faints and Is Carried to the open Air.

The notion store of Leo Mayer, known as the "Bee Hive," at 53 West Milwaukee street, was damaged by fire and smoke, a few minutes after 12 o'clock to-day. A boy was trying to fill an oil stove, used for heating purposes, while the lamp in the stove was burning. Mr. Mayer had gone to dinner, leaving the store in charge of his wife and the boy clerk.

"I tried to put the fire out," said Mrs. Mayer, "but it flamed up so that I was frightened, and fainted."

The boy said he thought there were enough men around the store to put the fire out, and he took Mrs. Mayer to the door and cared for her. It was not until Patrick Gallagher, of the east side fire station, passed by and saw the smoke and flame inside the store that an alarm was given, although many people on the street noticed the smoke pouring out of the front door.

The fire department made quick work in extinguishing the fire. The fire destroyed about twenty-five or thirty suits of ready made clothing, and burned the floor considerably. The loss on the building will not exceed ten dollars, but the loss on stock will amount to quite a sum as the store was filled with dense smoke. The building is owned by the Tallmans and is insured for \$10,000. Mr. Mayer has an insurance of \$5,500 on his stock, represented in all the local agencies.

Late this afternoon Mr. Mayer informed a Gazette reporter that he figured up his loss at \$110, being much less than he anticipated. He is doing business as usual this afternoon.

## FRILLS AND FURBELOWS.

Even Blazers and Eton Jackets Are Ornamented With Them This Season.

Not only is millinery more profusely decorated than it was last year, but everything else is correspondingly more ornate. Frills and furbelows of all kinds adorn gowns and wraps, and even blazers and Eton jackets have been ornamented out of their pristine character. This is a very becoming freak of fashion to the slender American type of woman, and she had better make the most of it.

Every indication of height in the matter of sleeves has disappeared, but they are permitted to extend horizontally as far as

BLUE SERGE COSTUME.

she desires. This horizontal effect is additionally carried out by means of wide collars and revers. Sleeves are invariably large above the elbow, whether plain or trimmed. Skirts are less flaring than they were during the winter, and many among the French models are plain, although trimmed ones enjoy greater favor here.

The long coat is not so much seen as it was. It contains too much cloth for warm weather wear and is not in general use, although it is occasionally seen made up in thin goods. Eton jackets are of course short. The new blazers are also short, and few coats have a basque more than 20 inches long. If a fashion, such as the long coat, for instance, happens to be especially becoming to some particular woman, if she is sensible she will continue to wear it until it becomes obsolete or so nearly so as to appear absurd. The fashion was made for woman, not woman for the fashion; therefore let her exercise her privileges and cleave unto the styles that are her own by right of fitness.

White enters largely into costumes of the present season. A sketch is given of a gown of grenadier blue serge, with a rather full skirt and an exceptionally long coat girdled at the waist by a white silk sash tied at the left side of the front. The coat has flaring cuffs of white silk, and revers and flaring collar lined with the same material. The revers part to display a white silk vest having a wrinkled collar and a full jabot of lace. A hat of black lace straw accompanies the gown. It is lined with blue velvet and trimmed with black ostrich plumes.

JUDIC CHOLLET.

## THE FLORID GIRL'S BETE NOIR.

She Should Shun Black If She Desires to Tone Down Her Complexion.

A gown of thin black goods is an extremely useful unit of the summer wardrobe. Its wear in city streets is to be deprecated if the material be of a lacy texture, but for house, carriage or out of town use it is eminently satisfactory.

A beautiful quality of large meshed silk net is shown for summer dresses. It is rather expensive, as it is only a yard wide instead of the usual 45 inches, but it will wear practically forever, being of a firm texture. It is to be found both plain and sprinkled with small dots. For outdoor

BLACK NET GOWN.

purposes this should be lined throughout with black silk, and worn with a colored hat and parasol the effect will be charming, but for the house the sleeves and upper part of the corsage require no lining. Some women have a black lace bodice made entirely unlined and wear it over different silk bodices of varying colors, but a lace corsage looks far better held in shape by a fitted lining.

A novelty in silk and wool grenadine is displayed having a moire stripe alternating with a wool one broadened with small silk flowers. This material is not transparent, but is of light quality, and although thin is rich looking, so much so as to be suitable only for middle aged and elderly women. Plain black silk muslin is also seen and is a very pretty sort of stuff, thin and cool. These black gowns are in good taste and generally becoming, but there is at least one type of woman who should shun black with a dull finish, and that is the florid type. Instead of toning down her color, it increases it tenfold by contrast and is as detrimental to the appearance of her complexion as turquoise blue, which is putting it strongly. A woman who is inclined to overflushing should never venture to wear dull black unless she modifies it by a liberal use of cherry or scarlet, which are strong enough tints to make her skin look white.

A sketch is given of a gown of dotted net, the skirt of which is caught up with bands of jet. The corselet and collar are of satin trimmed with jet. The elbow sleeves are divided into two puffs by a band of jet, and jet bretelles trim the front of the bodice.

## A SURGEON'S KNIFE

gives you a feeling of horror and dread. There is no longer necessity for its use in many diseases formerly regarded as incurable without cutting. The Triumph of Conservative Surgery is well illustrated by the fact that RUPTURE or Breach, is now radically cured without cutting, the knife and without pain. Clumsy, chafing trusses can be thrown away! They never cure but often induce inflammation, strangulation and death. TUMORS Ovarian, Fibroid (Uterine) and many others, are now removed without the perils of cutting operations. PILE TUMORS, however large, Fistula and other diseases of the lower bowel, are permanently cured without pain or resort to the knife. STONE in the Bladder, no matter how large, is crushed, pulverized, washed out and perfectly removed without cutting. STRICTURE of Urinary Passage is also removed without cutting in hundreds of cases. ## On To Washington.

What memories those three words awaken in the hearts of many old veterans of '63. Then it meant death and destruction, but now it means only a peaceful crusade calculated to produce merriment and jest. It means now that Coxey is marching on, in fact has reached the goal, and Washington has been taken. A revolution is in progress, a revolution in the retailing

of wrappers, waists, suits, wash silks, summer dress fabrics, such as ducks, dimities, sateens, India mouseline, summer underwear, muslin underwear, aprons, children's hats and bonnets, laces, baby trappings, spring garments, curtains, carpets, etc. A revolution in prices. We handle more goods than any

other two dry goods houses in Southern Wisconsin and buy them a little cheaper than others do; giving such GOOD QUALITY as we do at prices as low as competitors ask for inferior is what makes us so strong; what gives us such a firm grip on the people's confidence.

Some small stores blow hard, pay big advertising bills, trying to boom business right when business should be booming, the busiest time in the year. We keep saying a little something; do not find it necessary to buy a whole paper, but are kept on the jump all day long.

15c is our price for 50 pieces of FRENCH SAT- EENS, black grounds, assorted lovely printings. They are extra fine, the genuine French, and 25c is what you pay for them at other place.

## NOTICE TO CONTRACTORS!

Notice is hereby given that at a regular meeting of the common council of the city of Janesville to be held June 4, 1894, at 8 o'clock p. m., said council will proceed to act in relation to the work mentioned in the foregoing specifications, the work to be completed by July 28, 1894. Until the time of meeting of the council sealed proposals for the performance of said work will be received by the city clerk. The council reserves the right to reject any and all bids. By order of the common council.

GEO. H. BATES, City Clerk.

Dated Janesville, Wis., May 22, 1894.

## SPECIFICATIONS.

Specifications for grading, curbing and paving that portion of South River street, in the city of Janesville between the southerly line of West Milwaukee street and the northerly line of Pleasant street.

## GRADING.

Said street shall be graded so as to bring its surface at a uniform depth of eleven inches below the established grade of the same and in doing said grading, the earth is to be scooped off to the required depth, so as not to loess in the soil below.

Also in all places in said street where trenching has been done for water, gas or sewer pipes or connections of any kind, such place shall be made firm and secure against unequal settling.

If any filling is done in bringing said street to this grade it must be done with sand or gravel free from all perishable materials.

After the surface has been shaped to conform to the pavement above, it shall be thoroughly rolled or tamped to make it secure against any settling; which having been done a ballasting of at least four inches of clear sand or fine gravel shall be spread in such a manner that the sub-grade of said street shall be uniformly eight inches below the established grade thereof; said ballasting to be well rolled or tamped so as to make it firm.

The cross section of said street, from gutter to gutter being shaped so as to form a segment of a circle, having a rise of one foot for its ordinate at the center of said street.

The grading of said street and the ballasting thereof shall be done under the directions of and to the satisfaction of a special committee appointed by the mayor of said city.

All material excavated over and above what is used in embankment shall be deposited by the contractor beyond the bounds of said street without extra charge.

The work shall be carried on in such a manner so as to impede and obstruct travel on said street as little as possible; and yet be consistent with the speedy and economical completion of said work.

## CURBING.

The curbstone is to be of good, durable, Waukesha limestone, free from seams, cracks or other defects.

Each stone shall be not less than three feet long, twenty four inches wide, and four inches thick.

The top of said curbstone is to be dressed to a true line and the face to a depth of ten inches; and the ends of each stone to a depth of fifteen inches, so that close joints shall be formed.

Said stones are to be firmly set on their edges to conform to the alignment and grade given by the above mentioned committee and are to securely rest on a bed of fine gravel at least six inches thick, well tamped and to be thoroughly packed with sand or fine gravel at least six inches in width at their backs.

Provided however, that any curbing now upon said street, that shall in the judgment of said committee substantially comply with the above requirements, shall be permitted to remain in place, or be reset, if the alignment of the street shall so require.

## FLOORING.

The surface of said street, having been brought to conform to the sub-grade of the same and having on its surface a ballast of at least four inches of good, clean sand or fine gravel, well and thoroughly tamped; there shall be laid longitudinally of said street a flooring, formed of good, round, green hemlock boards, free from rot, sap, wind shakes or other defects, one inch thick, and from eight to twelve inches wide, and sixteen feet long; said boards are to be laid in close contact with each other and to break joints through, their edges to be straight and their ends sawed off square, so as to form close joints, and present a smooth, compact and uniform surface, conforming to the sub-grade of said street, preparatory to laying the paving blocks.

## PAVING.

Between the curbing on either side of said street and resting upon the flooring above specified shall be a paving of cedar blocks, which shall form the road bed of said street.

Said blocks shall have a uniform length of six inches, sawed from good, sound, live-cedar posts, of from four to ten inches in diameter

free from bark, rot and other defects; they are to be placed on their ends upon the flooring, in close contact with each other, and to be kept well driven up so as to form close joints, and a firm road bed.

During the progress of laying the paving, blocks of different diameters must be so arranged and placed with reference to each other, as to leave the smallest practical space between the blocks.

Spaces approaching a square form must be avoided, and no split blocks of less than three in in diameter will be allowed.

All spaces between the blocks are to be filled with screened gravel of a quality, size and screening satisfactory to the special committee hereinbefore mentioned. The same is to be thoroughly tamped with proper tools until solid; and refilled and retamped until the spaces have been completely filled with firm and solidly tamped gravel; the whole work to be done under the supervision and to the satisfaction of said above mentioned committee.

After the filling shall have been completed, the top surface of the paving shall be swept with a coarse broom, and left uncovered until it has been inspected by the special committee, above mentioned. After such inspection and acceptance, the paving shall be covered with fine screened gravel to a depth of one inch.

CROSS WALKS.

At the intersection of Dodge street and said River street there shall be four cross-walks, which shall be made by raising the pavement in the usual manner three inches rise in the center of the walk; the same to be twelve feet wide and so constructed that the crown will be even and of such grade as directed by said above mentioned committee.

The street upon its completion shall be left free from rubbish and impediments of all kinds. That portion of said street adjacent to and adjoining the improvement, and those portions of cross streets adjoining the same shall be left in as good condition, as just preceding the commencement of the work herein specified.

All connections of the pavement with the sewerage, gas or water openings shall be substantially and properly made, and the street upon completion shall have a uniform smooth surface, conforming to the final grade and crown of said street, and it shall be left by the contractor in perfect order and condition.

It is expressly understood that the contractor shall not be entitled to any allowance on account of injury to said street, by reason of rains or otherwise during the progress of the work herein specified; or before the same has been completed and accepted as herein stated.

It is expressly understood that the price per square yard named in the contract for paving said street, shall cover the whole cost of grading, furnishing, preparing and laying the paving and paving blocks as herein specified and contemplated; and that the price per lineal foot named in the contract for curbing, shall cover the whole cost thereof, including the taking up and removing of old curbing, where required, and the furnishing, placing, setting and properly securing in position new curbing as herein specified. No extra allowance whatever will be made.

These specifications are hereby declared and understood to be a part of the contract for grading, curbing and paving said street and doing all the work in reference thereto so far as the same are included in said specifications.

O. G. BLACKBURN, City Engineer.

## PRaise the Shaw FOR MANY MERITS.

FAMOUS PIANISTS PRAISE THE  
GAZETTE PRIZE.

Everybody Who Has Examined the  
Instrument at S. C. Burnham &  
Co's Says the Things Said in Its  
Favor Were Justified—Conditions  
of the Contest.

What is thought of the Shaw piano  
by pianists, vocalists and teachers.  
This is not hard to find out.  
When The Gazette chose an instru-  
ment it picked out the best to be had.  
The girl who wins this instrument  
may well rejoice. Here are a few  
statements published in St. Paul  
papers by those who have used the  
Shaw:

OSCAR L. LIENAU, tenor singer and  
teacher of the voice writes:  
ST. PAUL, MINN., AUG. 2, 1892. GENTLEMEN:  
I am extremely pleased with the Shaw Piano,  
which I purchased of you. I have used it for  
some months and consider it a superior instru-  
ment. Its clear full tone and elastic touch is a  
delight not only to myself, but to my many  
friends, its sweet singing quality being espe-  
cially noticeable, and I shall be pleased to recom-  
mend it to my pupils, etc., I am, yours respect-  
fully,  
OSCAR L. LIENAU.

Frederick Leavitt, the expert piano  
tuner:  
ST. PAUL, MINN., MAY 1, 1892. GENTLEMEN:  
The Shaw Piano very much. Their construction is  
most excellent, the tone is round, rich and mel-  
low, and altogether I consider them one of the  
very best pianos made today in this country. I  
can cheerfully recommend them. Respectfully  
yours,  
W. MANNEN.

Those who wish to learn for them-  
selves the quality of piano offered by  
the Gazette are urged to visit S. C.  
Burnham & Co's store. Several  
patterns of the Shaw are  
there shown. These instruments  
rank in the markets of the country  
just as Chickering, Steinways and  
Knabes, the four occupying first place.  
Everybody who has seen the Ga-  
zette piano is enthusiastic in its  
praise. It has a pure ringing tone,  
and its action is very fine. These  
qualities are what would be expected  
of a Shaw piano and The Gazette  
made no mistake in choosing that in-  
strument.

Friends of contestants show a  
lively interest in the success of  
their favorites and votes are  
coming in rapidly. New subscribers  
should be reported as fast as secured,  
but coupons should be tied in bundles  
of one hundred each and kept until  
the day the competition closes. Votes  
have been cast up to date, for the fol-  
lowing candidates:

Ainslie Tina.  
Baker, Bessie  
Baldwin, L. M.  
Campbell, Nellie Ruth  
Clifford, Alice M.  
Eldredge, Rose B.  
Ennis, Mary  
Frink, May  
Foster, Lahlie  
Gifford, Alice V.  
Gibbs, Maria J.  
Holt, Ellen  
Hugett, Miss Olive.

Kastner, Alice  
Loucks, Franc  
McCarthy, Maggie  
McNeil, Anna  
Peters, Nellie  
Pease, Bashie K.  
Randall, Carrie M.  
Wright, Ada V.

Names of other candidates will be  
added as fast as votes are received.  
Only bona fide candidates will be al-  
lowed. The rule that nobody is per-  
mitted to enter merely to represent an  
organized society will be strictly en-  
forced.

From now until the contest closes a  
coupon will be printed in each issue of  
the Gazette.

1. Any one, anywhere in any state  
is entitled to vote as often as they buy  
a copy of The Janesville Gazette con-  
taining the above ballot.  
2. Cut the ballot out (trimming on  
the dotted lines.) Write in the name of  
your candidate and enclose same in an  
envelope addressed to Bailot Edi-  
tor, Gazette, Janesville, Wis.  
3. Only one person can be voted for  
on one ballot.  
4. The lady who receives the largest  
number of votes will receive as good  
and beautiful a piano as the Shaw  
Piano Company can make.  
5. The contest will close June 30,  
1894. Piano will be delivered as  
soon as the counting of votes is com-  
pleted.

6. Any person who will bring The  
Gazette one new subscriber paid in ad-  
vance will be entitled to the follow-  
ing number of ballots:  
New subscriber paid in advance one  
month, 100 votes.  
New subscriber paid in advance two  
months, 250 votes.  
New subscriber paid in advance six  
months, 900 votes.  
New subscriber paid in advance one  
year, 2,000 votes.

Each new subscriber who pays in  
advance and casts the number of votes  
specified is also entitled, of course, to  
cut coupons from the paper  
from day to day and vote in the  
regular manner.

No person will be allowed extra  
votes for stopping his paper and hav-  
ing it sent to another name at the  
same address.

In every instance they must be bona  
fide new subscribers.

We will be square with you, you  
must be square with us. No person  
will be allowed to stop his paper on  
Monday and start it again Tuesday  
and claim the premium offered.

The polls will close at 9:00 p. m.,  
June 30, but votes handed in before  
this will be duly credited. The con-  
test will be conducted strictly "on  
the square." No partiality or unfair  
advantage will be taken or allowed in  
any case.

Gentlemen:—I cannot say enough for your Powder. It has  
cured me of an aggravated attack of catarrh when nothing else  
could help me. Am delighted with it. All my friends to whom  
I administered samples are quite enthusiastic over it. The  
good sisters speak most encouragingly of their use of it. The  
Hospital under their care. I will do anything to speak a good  
word for the remedy to help others who are suffering.  
M. E. Frazarson, Custodian U. S. Appraiser's Stores,  
Chicago, writes:

Gentlemen:—Being almost entirely deaf for a number of  
years past and getting no relief from many so-called cures  
which I tried, was induced by a friend to try Dr. Birney's Ca-  
tarrh Powder for my deafness. Have recovered my hearing  
entirely, so that I can now hear a watch tick plainly, it being  
held 15 inches from my ear. I look upon it as a positive cure  
for deafness and have recommended its use to many of my  
friends and can say I have never heard of a case where it has  
failed to relieve.

# With So Many Stores Each Claiming To Be the Cheapest, What Are You to Determine?

WE BLAME NO ONE FOR BEING PARTIAL to what they own. We have never claimed what we can't substantiate. We tell you plainly that our facilities for buying are equal to any in the country. Our qualities are sure to be right because we buy only the best. Now comes the pleasing fact that people can buy here for less money, finer Furniture than at any other store in Janesville. Hardly possible to put it plainer. The merchant has t all his own way in advertising. If he seeks to attain permanent success his statements must be gospel truth. Reliability outweighs bags of gas, always and everywhere. This is the kind of sermon we preach: this is what we practice. We find it draws. For this reason we extend a simple invitation to every reader of these lines to come and see for themselves.

CAUTION.—If a dealer offers W. L. Douglas shoes at a reduced price, or says he has them without name stamped on bottom, put him down as a fraud.

**W. L. DOUGLAS**  
BEST IN THE WORLD.  
\$3 SHOE

W. L. DOUGLAS Shoes are stylish, easy fitting, and give better satisfaction at the prices advertised than any other make. Try one pair and be convinced. The stamping of W. L. Douglas' name and price on the bottom, which guarantees their value, saves thousands of dollars annually to those who wear them. Dealers who push the sale of W. L. Douglas Shoes gain customers, which helps to increase the sales on their full line of goods. They can afford to sell at a less profit, and we believe you can save money by buying all your footwear of the dealer advertised below.

Catalogue free upon application. Address, W. L. DOUGLAS, Brockton, Mass. Sold by BROWN BROS.

### Bland's Boom Recognized.

WASHINGTON, May 22.—Upon the desk of Mr. Bland in the chamber of representatives yesterday was a huge bunch of La France roses, bearing the inscription "To the Next President." It was in recognition of his success at the Missouri convention last week. Paul J. Sorg, the newly elected successor of the late Mr. Houk, took his seat as representative of the third Ohio district. The house went into committee on the whole on the legislative appropriation bill. The amendment, declaring the statute repealed which authorized the sergeant-at-arms to deduct from the salary of members for absence was agreed to—118 to 84. Mr. Dockery gave notice that a ye and nay vote would be demanded on the amendment when the bill was reported to the house. Adjourned.
